## GREAT AWAKENING

---

The Book of Ezra paints a picture of where we are today as a Nation, It is God's desire to awaken, revive and restore a nation whose God is the Lord. The Israelites began rebuilding the temple after it had been destroyed because of their sin. While they were hard at work, the people of the land, The enemies of God- discouraged the people of Judah, causing them to be filled with paralyzing fear.

The bible also says, Counselors were hired to work against the people of God, and frustrate their strategy. This resulted in 14- year delay in the rebuilding of the temple---The place, In that day, where God's presence and Glory Dwelled.

When Ezra heard of the sin and compromise of the Israelites, he mourned and fasted, He then took logical steps to bring about change. The steps he took are transferable, and led to repentance of the nation.

Opposition and conflict delayed the temple construction, Only the leadership of Haggai and Zechariah motivated the people to finish what they begun, Through the Influence of these two prophets, construction was completed.

In many ways, Today America finds herself in this sort of delay. After making great advances in the Kingdom building, many have let Discouragement and Fear gain foothold in their hearts. They've laid down their tools and folded their hands. Others are busy with good Kingdom works. While other have given up and have fallen away.

**As in the days of Ezra, "wicked counselors," known today as lobbyists, are diligently opposing God's people to advance the antichrist agenda in every sector of society.**

**This is the fulfillment of scriptures in Psalm 2, which describe those who hate God and take counsel together, These counselors think they've overthrown God's rule.**

**Psalm 2: 1-3 NIV : Why do Nations conspire" and people plot in vain? The Kings of the earth take their stand and the rulers gather together against the Lord and against his Anointed one**

**A demonic force has been unleashed upon our Nation, and is taking ground at rapid rate. There is an agenda to make this nation never again look the way it has looked before. Yet God has not given up on America! He has a great plan and purpose for this nation and He is calling on us to partner with his heart, The heart of God, Calling for a Great Awakening, In this critical hour.**

### **Repentance and Restoration**

**The Bible say 2 Chronicles 7:14 If my people, who are called by my name , will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.**

**First God raise up two prophets, Haggai and Zechariah, to boldly awaken the people to their true condition, and to his desire for them. the moment God's people responded in repentance, God began to work in their behalf. He frustrated the plan of the lobbyists and gave the people of Judah favor with the politicians. Everything they needed for the restoration of the temple was provided.**
